## SUMMARY

Voice Actor since 2018. I have a wide vocal range and I have a very versatile voice which ranges from shonen protagonists, gritty anti-heroes, and sinister villains. I have a lot of experience on Indie Projects and I am always willing to work in anything that comes my way. As a voice actor, I am always working to hone in and improve my skills, I am very adaptable in projects, and I am always looking for new opportunities.
